

# DECODABLES

Publications

### About

Our decodable readers make reading and decoding easy with:

### Text and illustration

- Quirky tales that amuse and engage
- Innovative illustrations that inspire and extend with visual subplots.

### Pedagogy

- Practise letter sounds and staged high-frequency words
- Activities for comprehension and phonological awareness
- Simple instructional guidelines for decoding words

### Samples

**Instruction**

**Before reading:**  
Say, "This book will help you learn to read!"  
Read and discuss the title and back cover.

**Letter sound check:**  
Look at the new letters k, h, f, l, j.  
Point to each letter and say the sound.  
Use the clear sound, without adding 'uh'.

For example:  
/k/ as in kid  
/h/ as in hot  
/f/ as in fed  
/l/ as in log  
/j/ as in jet

Now check the revised letters in this book.  
See the full sequence on the last page.

**High-frequency words**  
Ask the child to read the high-frequency words. The child may write the words and find the words in the book.

**During reading:**  
Ask the child to sound out letters in any unknown word in the book, for example: /k/-/f/-/l/ is kid.

**Reading fluency**

- On the first reading, focus on the words.
- On the second reading, focus on the words and explore the illustrations.
- On the third reading, encourage fluency.

**After reading:**

**Comprehension**

- Name one thing the kid could not hug?
- What were the two different kinds of 'bat'?
- What was your favourite page? Why?

**Phonological awareness**

- Can you find words in the book with the /j/ sound? (jet, just)
- Can you find words with 'og'? (frog, log)
- Can you say 'kid'? Now say 'kid' but instead of /k/ say /f/. (fid)
